

# President's Council Enhanced Membership

VALUED AT OVER \$4,000 PER YEAR

## Program Overview

Member Tom Balling presents a check to the Community Chest.

The President's Council is a preferred membership program unlike any other and is comprised of business owners & executive-level leaders who share a united vision with the Chamber to augment business opportunities and increase commerce in our Community.

CEO Angela Hoffman & Past President Dan Hulen present President's Council member, Blake Capps (middle) with an award.

The Council is a vehicle for its members to network on a senior level while discussing County and State issues with leaders. Members make recommendations regarding Chamber activities & are given special access to all chamber events & programs.

President's Council members meet with State Representative Gayle Harrell at Harry & The Natives

President's Council is enhanced membership with special privileges.

Members receive VIP seating & recognition at all events.
